SOAPERY

Raine & Humble is proud to launch our new soap & brush range.

Natural soap bars are both nurturing for the skin and a plastic free choice to reduce landfill.

In the past 4 years we have been learning the science of handmade soap, researching and learning the benefits of natural essentials oils.

We have now used this knowledge to develop this range of luxurious soaps...for you or a thoughtful gift for your loved ones.

A close-up photograph of a chrome shower faucet handle mounted on a wall of white square tiles. A thick, light-colored braided rope is looped over the handle, and a rectangular bar of off-white soap hangs from the end of the rope. The soap has the brand name 'Raine & Humble' embossed on it. The scene is brightly lit, creating reflections on the chrome and tiles.
